FULL PARTICIPATION TUITION CONTRACT
2010 – 2011

Dear Parent(s)/Guardian(s):

The mission of Saint Joseph School is to provide our children with a solid foundation in the Catholic Faith. However, we cannot possibly attempt to do this without good, strong family example, which includes family prayer and attendance at Sunday Liturgy.

In order to keep tuition low and fair to all, we are going to carefully monitor the terms of this contract, which you are about to sign. A review of your account will be done monthly. A tuition payment that is in arrears 60 days or more will result in a review of your child’s placement in our school.
