**NON-PARTICIPATING TUITION CONTRACT
2010 – 2011**

Dear Parent(s)/Guardian(s):

The main reason that Saint Joseph School exists is that it offers our children a solid foundation in the Catholic Faith. However, we cannot possibly attempt to do this without good, strong family example.

In order to keep tuition low and fair to all, we are going to carefully monitor the terms of this contract, which you are about to sign. A review of your account will be done monthly. A tuition payment that is in arrears 60 days or more will result in a review of your child’s placement in our school.

FULL TUITION – NO PARTICIPATION

I agree to pay full tuition because I choose not to meet the terms of the other tuition status, except the parent responsibility of attending five (5) Home School Association Meetings.
